

Next Generation Glue Rollers for Trine Labelers

The new and improved Accraply Certified Glue Roller for Trine Labelers has been designed to streamline and refine your labeling operation.

Reduce downtime, increase productivity, and decrease annual operational/maintenance costs while ensuring a best in class label application and appearance!

DOWNTIME REDUCED & PRODUCTIVITY ENHANCED

Clean Design Improves Glue Application!

- The elimination of glue wires reduces glue slinging
- Larger diameter glue roller mitigates glue splatter and **reduces vacuum drum cleaning time**
- Downtime for vacuum drum cleaning reduced by 50%

LOWER COST TO OPERATE: DECREASED MAINTENANCE

Innovative design reduces waste and decreases wear part expenditures!

- Shorter glue wheel reduces glue evaporation and charring, thereby reducing glue consumption
- Heavy-duty design coupled with an independent servo drive eliminates wear parts, thereby **decreasing Glue Wheel maintenance time by 50%**
- Clean design enables operators to spend more time operating and less time cleaning

EASE OF OPERATION ENHANCES LABEL APPEARANCE

Operator-centric design simplifies operations and ensures best-in-class label appearance!

- Multiple size Glue Wheels - customized to your application
- Simple Setup - No glue wires or scraper pins to adjust. **Set and Forget!**
- Eliminates glue lines and provides a smooth label appearance that will delight brand owners

Accraply Aftermarket - Not an Afterthought!

We want to earn your trust

All Accraply equipment is designed and configured specifically for your application, plant, product and operating requirements. We invite you to work with us throughout the entire planning, purchasing and production cycle to discover the benefits of single source automation, integration and the most advanced technology available in the industry today.

We promise excellent support

Aftermarket service isn't an afterthought. We service all of our equipment for the life of the machine, including the installed base of acquired brands. Our service team provides consultative audits, technical assistance, spare and replacement parts, change parts, upgrades, field service and pre-owned equipment with exceptional commitment to customer satisfaction.

We provide global expertise, served locally

Our global expertise, delivered locally, allows us to be a focused and responsive partner that supports all your pharmaceutical labeling needs.

Contact one of our experienced Sales Engineers today to discuss how the Accraply Certified Glue Roller can be installed by our certified service team today!
